Responsibilities of Worship Team Members

Being on the worship team is a big responsibility and one we take seriously here at CCF. The worship team gets a lot of attention because of the very nature of what we do. It follows then that we strive with all our might to live lives worthy of the position God has granted us. Not only do we strive for excellence in musicianship. We also strive after humility and purity in our lives and as a community of musicians.

Therefore, the worship leadership is committed to seeing every member of the worship team be in a place of community and growth. We don't replace core, but rather provide a place of service to Jesus and the community.

- It is our expectation that you would continue to be in a mentoring relationship with your corefa, be actively involved in core, and that you would attend Friday Night regularly.
- We find it of utmost importance that we get together and pray both for ourselves and our community, and so we have a mandetory worship team prayer meeting on the first practice of every month.
- We expect you to either attend the worship class at the start of the school year or buy the tapes to the class and listen to them so that we are all on the same page on the theology and philosophy of worship.
- You are of course expected to come to practices on the weeks that you are up to play, which happen on Thursdays from 8 pm - 11 pm at Hillcrest Chapel.

The average time commitment to worship team is about 5 hours a week.

Sign here if you agree with these ministry responsibilities and are ready to be faithful in your commitment to the worship team.

Et Cetera...

As a part of the application process, which is probably a lot scarier looking then it really is, we will set up a time for an audition with you. You will be told whether or not your future includes the worship team so that you aren't kept guessing within two weeks of the audition.

God bless you and thank you for applying. The Worship Team Leaders.
